

## Subalpine Mountain Biking & Camping

July 21 - July 23, 2026  
Ages 12-15

Get ready for an unforgettable mountain biking and camping trip! We'll head towards Redstone and the surrounding mountains to ride mountain bikes and learn about the subalpine ecosystem. Bring your helmet and your best scientist thinking as we discover the differences in ecosystems at elevation, learn the value of stewardship, and feel physics at work! Hone your biking skills and your leadership skills on this exciting adventure!

# Subalpine MTB Expedition Details:

## \$460 (Member Price)

A packing list and trip specifics will be sent to each family by email. All food and camping gear will be provided. If you do not have a bike and would like to use a EUREKA! mountain bike instead, please contact us at [info@eurekasciencemuseum.org](mailto:info@eurekasciencemuseum.org). Limited bikes are available.

## AT-A-GLANCE

- Tues. 7/21-Thurs. 7/23
- 3 day/2 night
- Ages 12-15 years old
- Ability Level: Intermediate (participants should be able to confidently ride on rough dirt trails, steer to avoid obstacles, and have consistent control over their bike)
